

UpToDate® The App – FREE for all UHL Staff!

Access UpToDate from the palm of your hand

Available on iPhone®, iPad®, Android™ device or Windows 8 tablet

To access the UpToDate mobile app just follow these three easy steps – you need to register from a UHL PC but can then use the App from anywhere in the world:

1. On a UHL PC, click on the UpToDate Icon on the desktop (or use this link: <http://uptodate.xuhl-tr.nhs.uk> to launch UpToDate) You must go through this route. Simply going to UpToDate on a UHL computer will not work unless it is via this route.
2. On the 'Clinical Information Reference Resources' portal, click on 'Launch UpToDate'.
3. Then click on the 'Register' link in the top right hand corner of the UpToDate search page.
4. Fill in this form, to create a personal UpToDate account.
5. You are now registered and will receive a confirmation email with information about installing the UpToDate Mobile App. Use these details to log into the UpToDate app.

PLEASE NOTE:

YOU WILL NEED ACCESS TO THE INTERNET TO USE THIS APP & REGULAR RENEWAL (EVERY 90 DAYS) OF YOUR UPTODATE ACCOUNT IS REQUIRED TO ENSURE ACCESS IS MAINTAINED.

To renew your account, follow steps 1-2 above and then sign in using your UpToDate username/password.
